VENUE DESCRIPTION

Chef Gordon Ramsay opened his first burger experience restaurant, Gordon Ramsay Burger, at the center-strip Planet Hollywood Resort & Casino. The restaurant is open for lunch and dinner daily and has a vibrant bar scene. Burger takes the traditional burger, fries and milkshake combination to an entirely new level with selections like hellfire chicken wings, truffle parmesan fries and shakes. The burgers are separated into traditional burger preparations and “specialty” burgers. To achieve a complex flavor, all burgers are cooked over an open flame fueled by hard woods, the only burger restaurant on the Strip utilizing this method, and prepared with fresh, quality ingredients.

Traditional burgers include the Hell’s Kitchen burger with Asadero cheese, roasted jalapeños, avocado and roasted tomatoes, jalapeño aioli and the Blue Cheeseburger with Manchego cheese, figgy jam, arugula, cider vinegar reduction. Our one of a kind Pudding Shake, a Gordon Ramsay creation exclusive to Burger, is creamy, handspun Oreo milkshake topped with intensely flavored crème brûlée pudding. Skip the pudding and try the English Toffee Shake

with brown butter ice cream, almond toffee topped with a biscoff cookie.

Not to be neglected, the beverage program features an extensive beer list and a robust cocktail program. Focusing primarily on small and large format American craft beers, Burger serves 30 beers, all from a stunning frozen tap wall with a selection of bottled beer. A brew-worth noting is the Belching Beaver Peanut Butter Milk Stout Nitro draft. Try it as is or in our specialty cocktail Irish Goodbye created especially for this restaurant and tailored to Gordon Ramsay’s tastes. The cocktail program features a selection of traditionally made cocktails, crafted with fresh ingredients, muddled and shaken to perfection.

The vividly colored room seats up to 282 and is accented by an undulated ceiling, steel and concrete floor, keg display, open kitchen and a 30 foot fire feature. With 12 high definition televisions strategically placed for unobstructed sight lines, Burger is an ideal place to view entertainment and sporting events.
